YARRA VALLEY & DANDENONG RANGES U-PICK TRAIL

FRESH IS BEST!

Did you know the Yarra Valley and Dandenong Ranges is home to the U-Pick and it's only an hour away from Melbourne?

We were the first place in Australia to do it! Find yourself in an orchard this season.

We all love the sweet juiciness of a perfectly ripe peach, the explosion in our mouths as that delicious cherry or strawberry bursts

with the first bite. It's a fact, fruit always tastes better in the sunshine, under the very tree it grew on. Join us and fill up your buckets and baskets with the freshest, most delicious produce of the season. Indulge in locally made ice-cream, cakes and other sources of family favourites after you've wandered the orchard rows.

Pack the sunhat and sunscreen and enjoy a fabulous day in the country!
